Ventura, CA, December 19, 2018

CP Coastal, the coastal art brand known for its mix of modern, impressionist, and vintage coastal themed art, has released its Holiday 2019 *Old Fashioned Christmas* collection. This beautiful collection features four designs including - a quiet pier lit up with Christmas lights, a majestic palm tree wrapped in lights with coconut ornaments, a cheerful starfish wreath, and a traditional Christmas tree set in coastal blue colors. The art is available for licensing or purchase.

“Celebrating the holidays in a beach side town or on an island is incredibly peaceful. It allows us to slow down, breathe, heal if we need to, and to reflect and be grateful for the many blessings in our lives. Christmas isn’t just for snowy places; its everywhere your heart and soul are.” - Chris Barker.

Designs are presented on product lines including coasters, greeting cards, cocktail napkins, bags, coffee mugs, and wall art.
