

FOR IMMEDIATE RELEASE

CPCoastal™ Releases Spring 2018 Collections

Thousand Oaks, CA, December 4, 2017

CPCoastal brand, known for its mix of modern, impressionist, and vintage coastal themed art, has released it's Spring 2018 collections for licensing or purchase.

Designs include two collections. The first, the Barefoot Collection, features the Barefoot Beach Bar, everyone's favorite place to grab a cocktail. Best categories for this art are wall art, cocktail napkins, coasters, paper and gift bags.

The second, the Ocean Plaid Collection, takes a twist on plaid with Spring colors of light blue and bright pink creating a pattern for jelly fish, turtles, palm leaves, starfish and coral. Best categories for this art are stationery and journals, cocktail napkins, paper and gift bags.

About CPCoastal:

CPCoastal brand is a creative art company based in Los Angeles, CA, focusing on coastal themed art. The brand brings a mix of modern, impressionist, and vintage styles, with elements of bold colors. The art features a wide array of classic coastal and nautical themes capturing the essence of ocean, lake, and river-front living, as well as island lifestyles. Designs are created with a wide variety of products in mind. All are beach inspired, with the mission of bringing the coastal vibe to any space. It's *coastal art with an adventurous spirit and laid back attitude.*

CPCoastal is committed to bringing global awareness of how precious oceans, lakes, and rivers are, not only for the incredible beauty they provide, but also for how much we need them for our own survival. For information about licensing or purchasing art, please contact the company.
